**12:00–12:30 pm**

**Lunch**

**12:30–1:30 pm**

**Project Planning Breakout Sessions**

***Purpose:*** Two breakout sessions, one for Adopt/Adapt grantees and one for Scaling grantees, will focus on ensuring grantees have a solid plan for implementing their project and get them thinking about future efforts to scale OER adoption. The sessions will also kick off the start of a professional learning community within each category of grantees. Grantees will receive an OER “toolkit” (handouts, slides, etc.) that they can use at their institutions as they engage with others.

**1:30–3:00 pm**

**Open Lab: Preparing Your Fall Course**

***Purpose:*** Participants will be provided with time to work on completing their course for fall delivery while getting one-on-one support from trainers.

**3:00–4:00 pm**

**Share Out and Certificates Awarded**

***Purpose:*** The session will conclude with participants briefly sharing their plans for Fall 2017 and beyond with regards to OER adoption. Workshop participants will receive certificates to recognize their completion of the training.

**4:00-5:00 pm**

**OER Leaders Networking Reception**

***Purpose:*** Grantees and their institutional leaders will be invited to a special networking reception after the workshop to continue building their OER mini-grant network and community.
