

Discover OER courses that improve learning in the updated Lumen Learning Course Catalog!

How to find and adopt an OER course:

1. Search Lumen's updated Course Catalog to find OER course materials to adopt. More search options make it easier to find what you want.
2. On any course detail page, click "View Content" to review course materials, or click "Learn More" to ask a question or to request a demo.
3. Ready to adopt? We're happy to help. Complete the "Adopt this Course" form, and we'll help you get set up.
