

## PROFESSIONAL DEVELOPMENT for FACULTY

**LUMEN CIRCLES** are professional development experiences that use virtual learning communities to strengthen teaching and help educators grow professionally.

Grounded in evidence-based teaching practices and self-reflection, **LUMEN CIRCLES** work well for any faculty member, in any discipline, and at any stage of career.

## HOW DO THEY WORK?

- 1 SET GOALS**  
*Identify how you want to develop your teaching practice.*
- 2 BUILD SKILLS**  
*Expand your teaching repertory, learn to work smarter, and deepen your understanding of effective practices.*
- 3 TEACH AND REFLECT**  
*Apply what you're learning, consider how it's working for your students and where to improve.*
- 4 SHARE VIA VIRTUAL LEARNING CIRCLES**  
*Connect with peers, exchange feedback, and collect new ideas.*
- 5 RECOGNIZE GROWTH AND PROGRESS**  
*Track progress towards goals as you incorporate new practices.*
